What makes a Fourfields Linguist?

Intercultural understanding

Can identify the capital city of France and famous landmarks.

Can recognize cultural similarities and differences in customs in France.

Can compare geographical features across French speaking countries.

Grammar

Understand how word order differs in the French language.

Apply known grammar terms to the French language.

Reading and writing

Confidently use a bilingual dictionary.

Use existing knowledge of vocabulary and phrases to create new sentences.

Listening

Listen to extended pieces and gain an understanding using language detective skills such as cognates.

Recognise blends of sounds and match to known spelling patterns.

Keystage 1 and EYFS:

Introduction to greetings in different languages.
Ordering lunch using colours in French.

Speaking and pronunciation

Recognise and answer questions that involve giving information and opinions.

Use and apply recently introduced language.

Apply the correct phonetical language to spoken French.
