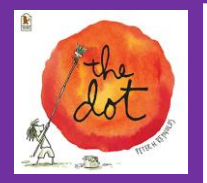
What's happening in Y1

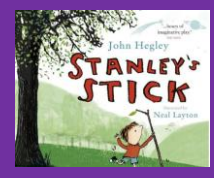
Welcome to Year 1. Miss Thorne and Mrs Phillips are excited to share with you all of the exciting learning that we will be doing during the Autumn term. At Fourfields, children in Year 1 will continue to learn through continuous provision.

MATHS

This term, we will be focusing on sorting objects, place value of numbers within 20,
addition and subtraction within 20 and geometry and shape.

If you'd like to support your children with maths at home, addition and counting of everyday objects, such as whilst packing away the shopping, will help to practise these skills.

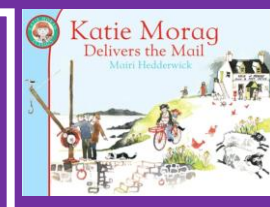


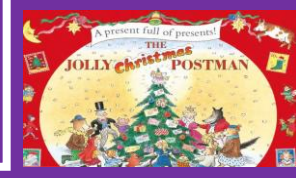


WRITING

We will be reading a range of different books as part of our English.

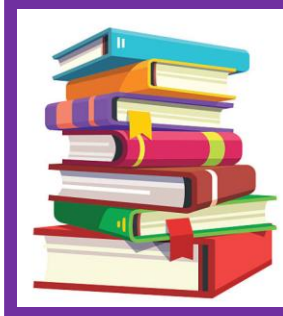
We are following 'The International Dot day' on 15th September, as part of our English and continuous provision learning.





READING

We are following the Little Wandle reading scheme. Your children will come home with reading books on a Wednesday. Please bring in reading folders on a Monday.



SCIENCE

We are learning about animals including humans.

We are hoping to get a special visitor to visit our school with some exciting learning opportunities.

Reminder: Please bring in spare clothes including underwear, trousers and socks (in case of accidents) and puddle suits and wellies. We plan on being outside in all kinds of weather.
On PE days, please send your children into school wearing their PE kit.

DATES FOR YOUR DIARY!

Reading morning is on Wednesdays.

Rabbits:
Indoor PE- Friday
Outdoor PE- Tuesday
Forest School- Tuesday

Badgers:
Indoor PE- Thursday
Forest School- Friday
