What's happening in Y3

Welcome to a new year of learning at Fourfields. As we begin the Autumn term for 2026-27, we wanted to give you an update on what will be happening in class over the coming weeks and months…

MATHS

During the Autumn term our maths will be focussing on place value as well as our adding and subtracting skills.

In Year 3 we are keen to get ahead with learning our times table facts and we will be practising regularly in class to make sure we are shining.
Supporting us in this by practising at home on tackling tables will ensure we can all succeed.

Login details will be sent home in due course.

WRITING

Autumn Term's writing focus is based around the book 'Stone Age Boy' . We will be concentrating on grammatically correct sentence structures, building on the learning from Year 2.

Spelling & Handwriting

We will be following the school's spelling and handwriting scheme where we will be focussing on spelling around a sound (phoneme) each week and explore the different ways of spelling (graphemes).

READING

We have been reading our class reader daily. 'The 13-Storey Treehouse' by Andy Griffiths and Terry Denton follows the adventures of Andy and Terry as they try to write their latest book.

DT – Seasonal Supper

Throughout the unit the children will be investigating different seasonal vegetables, looking at taste, texture and smell. There will be an opportunity for children to taste a variety of seasonal vegetables to enable them to select their preferred tastes and textures for their stew. The final product will be produced over an open fire in Forest School.

DATES FOR YOUR DIARY!

PE days are Tuesday (indoor) and Thursday (outdoor).
Individual photographs – Monday 21st September
Inset Day – Friday 23rd October
Half Term – Monday 26th – Friday 30th October

Shine

P.E

This terms PE see's us focus on TCHOUKBALL as part of our outdoor PE and general fitness inside. Please make sure they have clothes for all weathers!
